PROFESSIONAL EXPERIENCE

Welder-Fabricator

Great Dane, Terre Haute, IN

Aug. 2011 – Jan. 2015

- Designated as one of three specialist welders on a 15-person team
- Built 5th wheels with a dual feeder auto flux welder & ran an automatic flux core welder daily
- Trained new hires every two weeks in small groups, teaching each person how to work all 7 jigs
- Took the lead on showing my team how to build specific projects & assisted teammates needing help
- Worked all night shifts from 6pm to 6am regularly

Diesel Truck Repair

Terre Haute, IN

June 2011 - Aug. 2011

- Rebuilt by hand complete diesel engines on six 12-valve personal vehicles and commercial trucks
- Inspected body work, engines, and electrical systems to identify line leaks and problems needing repairs
- Replaced transmissions, swapped pistons, rewired electrical systems, and rebuilt turbo engines

Hay Bailer

Flowers Family Farm, Rosedale, IN

Summers 2011 - 2014

- Bailed 700 to 1000 hay bales per day
- Unloaded and stacked hay into the barn
- Worked 10-hour days starting early in the morning
